

Restaurants Covid-19 Safety Plan

The health and safety of our guests and our team continues to be our top priority and we are committed to following the guidance set out by the Provincial Health Officer and WorkSafe BC.

We have implemented numerous expanded health and safety protocols including but not limited to:

- No entry to staff or guests who have symptoms of COVID-19
- Maintaining a maximum of 6 guests from the same party per table
- 2 metres distance between tables and plexi glass partitions for bar seating
- Complete and comprehensive in-person training for all staff on ensuring staff and guest safety
- Staff who are ill or displaying symptoms are not permitted to work and must not return to work until fully recovered
- Sanitizer at entrances for guest use
- Frequent cleaning and disinfection of all high contact surfaces
- All staff are required to wear face masks
- Frequent hand washing, sanitization and hygiene protocols to be followed by all staff

We are approaching everything with a detailed eye towards your safety. We are excited to be open and are taking extensive measures to ensure the well-being of our guests and staff.
