# SPA INFORMATION

## SAFETY PRECAUTIONS

The health and safety of our clients and staff is of the utmost importance. For this reason, we kindly ask that you follow the below requirements:

- Appointments are reduced to support social distancing and additional sanitizing practices
- If you are not feeling well, please stay home and we will gladly reschedule
- Appointments only at this time, please call ahead to schedule your spa day
- Please arrive 15 minutes prior to your appointment time
- Please adhere to social distancing guidelines
- We will ask COVID-19 related questions at reservation, if the answer to any question changes, please notify us prior to arriving
- Hydrotherapy tub is limited to three spa guest or party at a time
- Cashless transactions touchless payment options only
- Contactless visit available: remain in your car, call to let us know you have arrived, wait in your car until we call you and, when ready, we will call you and escort you directly to your treatment room, please shower prior to arriving
