GENERAL PARKING QUESTIONS & ANSWERS

HOW DO I ACCESS THE SELF-PARKING GARAGE?

Parq Vancouver's underground self-parking garage is located directly beneath the Resort. From Pacific Boulevard heading North, past Nelson Street, it can be accessed by turning left onto Smithe Street. Heading South on Expo Boulevard, there is an entry ramp accessible from the left lane prior to the Smithe Street intersection. Please note that the Smithe Street access, from Pacific Boulevard, may intermittently be closed to the public or subject to restricted access, during events hosted at BC Place or Rogers Arena.

HOW DOES SELF-PARKING FUNCTION?

Parq Vancouver's underground self-parking garage operates with a barrier free entry and exit during regular operations. Once the vehicle is parked, proceed to one of the many pay stations available on each level by the elevator lobbies to effect payment. When at a pay station, parking guests must recall their licence plate and choose the length of time they wish to park for, complete the transaction and proceed to your final destination. Please keep your parking receipt with you at all times.
